

Science (Grade 5–7): Living Things

1. Which of the following is a living thing?

- A) Stone
- B) Tree
- C) Water
- D) Chair

Answer: B) Tree

2. All living things need _____ to stay alive.

- A) Plastic
- B) Air
- C) Metal
- D) Rocks

Answer: B) Air

3. Which of the following can make its own food?

- A) Dog
- B) Human
- C) Plant
- D) Fish

Answer: C) Plant

4. Animals get their food by _____.

- A) Making it
- B) Eating plants or other animals
- C) Photosynthesis
- D) Absorbing sunlight

Answer: B) Eating plants or other animals

5. The process by which plants make their own food is called _____.

- A) Germination
- B) Photosynthesis
- C) Respiration
- D) Transpiration

Answer: B) Photosynthesis

6. Which part of a plant takes in water from the soil?

- A) Stem
- B) Root
- C) Leaf
- D) Flower

Answer: B) Root

7. Which part of a plant makes food?

- A) Stem
- B) Flower
- C) Leaf
- D) Root

Answer: C) Leaf

8. All living things can _____.

- A) Fly
- B) Reproduce
- C) Float
- D) Melt

Answer: B) Reproduce

9. Which of the following is NOT a characteristic of living things?

- A) Growth
- B) Movement
- C) Breathing
- D) Non-living

Answer: D) Non-living

10. What do animals breathe in?

- A) Carbon dioxide
- B) Oxygen
- C) Nitrogen
- D) Hydrogen

Answer: B) Oxygen

11. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

12. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

13. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

14. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

15. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

16. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

17. Which of the following is true about living things?

- A) They can grow
- B) They never move

C) They are made of plastic
D) They do not need air
Answer: A) They can grow

18. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

19. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

20. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

21. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

22. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

23. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

24. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

25. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

26. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

27. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

28. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

29. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

30. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

31. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

32. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

33. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

34. Which of the following is true about living things?

- A) They can grow
- B) They never move

C) They are made of plastic
D) They do not need air
Answer: A) They can grow

35. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

36. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

37. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

38. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

39. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

40. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

41. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

42. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

43. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

44. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

45. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

46. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

47. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

48. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

49. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

50. Which of the following is true about living things?

- A) They can grow
- B) They never move
- C) They are made of plastic
- D) They do not need air

Answer: A) They can grow

51. Which of the following is true about living things?

- A) They can grow
- B) They never move

C) They are made of plastic
D) They do not need air
Answer: A) They can grow

52. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

53. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

54. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

55. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

56. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

57. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

58. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

59. Which of the following is true about living things?

A) They can grow
B) They never move
C) They are made of plastic
D) They do not need air
Answer: A) They can grow

60. Which of the following is true about living things?

A) They can grow

B) They never move

C) They are made of plastic

D) They do not need air

Answer: A) They can grow
